Jessica Tidswell (USA)
Benjamin Ruer (FRA)
Akio Kobayashi (JPN)
Mauritz Trautner (GER)
Kayla Dodson (CAN)
Sandra Titulaer (NED)

AGENDA :

1. Minutes last meeting 29 April 2020 (action items?) (document was send)
2. Classification report WSPB season 2019-20 (document attached)
3. Meeting with Gen Duff (acting director Classification department IPC)(verbal)
4. Research
5. Other topics
6. Next meeting date

We discussed the documents, no much comments, agreement on the plans for 2020-2021 (classification opportunities in EU, US/CAN and Asia, observation on slope at higher level competitions)

We discussed who could assist us with the observations, needs to be a nonactive coach . (no conflict of interest)

The meeting with Gen Duf will be continued next Friday, no decision yet on classifier traiging issues, rules-clean-up, research support.

Most important research areas : CP, UL and VI

Nations meeting the results of the VI research will be presented, I will invite the WG members to join the meeting,

For next meeting (5 May 22.00 CET??) action items :

- More specific research questions?
- Name 3 things you want to change in current classification (also things that we might not be able to change in short time, but needs to be discussed for the future)
- (example : why not reclassify all athletes every 4-8 years before next PWG)

Thank you all for joining

Next meeting 5th May 22,00 CET (please let me know if you are able to join)
